

NOVA II SYSTEM

Cable Railing with Powder-Coated Aluminum Posts & Rails

The NOVA II System features powder-coated aluminum posts, handrails and foot rails and horizontal cable infill. The cable infill utilizes HandiSwage™ fittings with 1/8" cable. The NOVA II posts are surface mounted using the NOVA II Post Mounting Hardware Kit which is sold separately and includes 4, 5/16" x 4-1/2" hex head lag bolts and accompanying cover nuts. Customers must source their own mounting hardware when mounting on surfaces other than wood.

The NOVA II system is completely off-the-shelf and features minimal components and is offered in black, white and bronze. Each post and rail kit includes everything needed for installation. Post mounting hardware, cable and cable mounting hardware are sold separately.

CAUTION: Limitation of installation proximity to salt water and associated warranty limitations exist. Please consult the "Aluminum Products Salt Water Restrictions Map" on page 23 and on our website.

**NOVA
NAUTILUS**

NOVA NAUTILUS

The NOVA Nautilus System utilizes predrilled aluminum posts with a 2" stainless steel top and optional bottom rail. It features multiple color options of black, white or bronze to compliment any application. The cable is spaced at 2-3/4" and utilizes HandiSwage™ fittings.

HandiSwage™ CABLE INFILL

The NOVA II System features 1/8" diameter cable and a line of HandiSwage™ fittings including studs and tensioners. Using the HandiSwage™ line, makes the NOVA II System one of the simplest and most economical cable railing systems available. All fittings cable and accessories are made from electro-polished, 316L stainless steel for maximum corrosion resistance and durability. For a finished look, we offer cover nut sets to match the posts.
